

# Year 11 and 12 Maths Revision Help for T2

## MyMaths Booster Packs

The following is aimed at students aiming for a grade C in T2

1. Log in as usual to MyMaths.co.uk
2. Go to Booster Packs on the Main Menu (left hand side)
3. Click on the D2C Button
4. Under each of the headings listed below, complete the named sections as your revision, then do the 'Revise it' and 'Online Worksheet' at the end of each section. You can tick them off as you complete them on this sheet.  
(For the worksheet, if you login with your own username, your teacher will be able to see what you have done as well).

The screenshot shows the MyMaths.co.uk website interface. On the left, a navigation menu is open, with 'Booster packs' highlighted. Below it, options for 'Three boosters', 'Four boosters', 'Six boosters', 'D2C', and 'C2B' are visible. The main content area is titled 'Booster packs' and contains text explaining that these packs are designed to help students progress to a higher level or grade. It also mentions that users can view their work and monitor their progress using My Portal. At the bottom of the page, there is a footer with copyright information and links for help, contact, news, privacy, legal, terms & conditions, and cookie policy.
