

Foundation

Year 12

CHAPTER		M5 Topics
9		Approximating and estimating 2
15		Ratio and proportion 1
16		Ratio and proportion 2
27		Sequences 1
31		Real-life graphs
36		Polygons
40		Scale drawings
41		Reading scales
45		Symmetry and transformations
48		Metric and imperial units
49		Constructions and loci
56		Probability

CHAPTER		M6 Topics
17		Number systems
28		Sequences 2
29		Trial and improvement and index laws in a
30		Inequalities and changing the subject of a
32		Quadratic graphs and intersecting graphs
36		Polygons
43		Bearings
45		Symmetry and transformations
49		Constructions and loci
50		Effect of enlargement on shapes
56		Probability
